## FIFTY-EIGHTH ANNUAL REPORT

LITTLE is at present known of what the future of this Hospital will be when the National Health Service Bill comes into force, but its supporters may rest assured that the Committee will watch the interests of the Hospital with the greatest vigilance.

Meanwhile, the time seems appropriate to express sincerest gratitude to all who have, in one way or another, helped Victoria Hospital.

Many people remember the early days of the Cottage Hospital; the excitement of such an unusual event as a street collection, when Miss Julia Tudor was to be seen seated at a table with her collecting box at the junction of Hadley Green and quiet Barnet High Street—"OUR Hospital."

The move from the High Street to Wood Street in 1924 was, perhaps, the biggest milestone in its history. Mrs. Everard will long be remembered for her years of unselfish work as Hon. Secretary during that time.

Another outstanding event was the enlargement of the Hospital in 1937 and its re-opening by H.R.H. the Princess Royal. The name of the late Mr. A. J. Brickwell, Hon. Director of Appeals in this connection, is held in grateful memory.

From this period onwards the activities of the Hospital greatly increased; staffs were enlarged, and right up to the present day untold devotion and loyalty has been the commonplace occurrence in the Hospital's daily life. All those in any way connected with its management are aware of what an amount of selfless work is carried out by the whole staff.

As for the body of voluntary supporters, their number runs into thousands. Many people remember the grand total of £1,000 raised for the Patients' League by Mrs. Staff, and amongst the most arduous tasks undertaken have been the recurring organisation of flag days by a series of public-spirited individuals.

Whatever the future may hold, the Victoria Hospital has been most fortunate in the generous support so freely given during the fifty-eight years of its existence.

**General Committee.**—The following members retire by rotation and are eligible for re-election: Mr. B. T. Balding, Mrs. James, Major the Hon. C. A. Fellowes.

**The Late Dr. Wardlaw Milne, M.B., Ch.B., and Mr. J. B. Reeves, F.C.A.**—The Committee records with great regret the death of two faithful friends of the Hospital. Dr. Milne was for many years a valued member of the Hon. Medical staff and of the General Committee, and Mr. Reeves, a Vice-president of the Hospital, will be remembered as its Hon. Treasurer through some years of financial expansion, during which time the value of his highly expert service was much appreciated. His daughter, Miss P. Reeves, has presented a diathermy apparatus to the Hospital in his memory, and the Committee takes this opportunity of expressing heart-felt thanks for this gift.

Dr. R. K. R. Henry, M.R.C.S., L.R.C.P., has taken the place of the late Dr. Milne on the General Committee.

**Ladies' Linen League.**—Linen to the value of £159 3s. 4d. was this year presented to the Hospital, leaving a balance of cash in hand of £16 7s. This most satisfactory record has been achieved through the invariable generosity of the subscribers to the League, and sincere thanks are extended to them, to the Hon. Organisers, and to all the ladies of the League who so faithfully mend the linen week by week.

**Patients' League.**—As mentioned in the last Annual Report, the funds contributed to this League since the Matron became its Hon. Secretary have now reached a total of £1,000. A tablet commemorating the handing over of this sum has been placed over a bed in the Men's Ward. A further sum of £246 has been expended upon twenty-six interior sprung mattresses and an electric mixer.

**House Committee.**—Thanks are expressed to this Committee, whose unobtrusive work is, each year, so steadily and successfully carried on.

**Appointments and Resignations.**—It is with regret that the Committee reports the resignation from the Hon. Consulting staff of Dr. E. C. Lakin, M.D., F.R.C.S., F.R.C.P., Mr. D. C. L. Fitzwilliams, C.M.G., M.D., F.R.C.S., and Dr. Malcolm Donaldson, M.B., F.R.C.S. The following appointments have been made: Hon. Consulting Physician, Dr. Christopher Hardwick, M.A., M.D. (Cantab.), F.R.C.P.; Hon. Consulting Children's Physician, Dr. A. White Franklin, M.B., F.R.C.P. Dr. Crowley has retired from general practice, and has been appointed as Hon. Anæsthetist to the Hospital. Dr. Lavender has retired from the Hon. Medical staff owing to removal from the district. Dr. R. K. R. Henry, M.R.C.S., L.R.C.P., Dr. E. W. West, B.A., M.B., B.Ch., B.A.O., Dr. F. Gugenheim, M.D., L.R.C.P., L.R.C.S., and Dr. R. C. E. Norman, M.R.C.S., L.R.C.P., have been appointed to the Hon. Medical staff.

Mr. W. H. Plowman, L.D.S., R.C.S. (Eng.), has been appointed to the Hon. Consulting Dental staff, and Mr. Walter White, L.D.S., R.C.S. (Eng.), to the Hon. Dental staff.

The Committee records its sincere thanks to those who are severing their connection with the Hospital, and its appreciation of their work in the past. Gratitude for the work of the present Hon. Medical staff is warmly tendered.

**Religious Services.**—Thanks are once more expressed to the local Clergy and Ministers who have given their time to conducting services in the Hospital.

**Staff.**—As the activities of the Hospital increase, so does the work of all grades of the staffs. The Committee is conscious of this, and asks each member of the nursing, secretarial, telephone, domestic, and garden staffs to accept their heartfelt thanks and appreciation of arduous work splendidly accomplished.

#### **Collections, Gifts, etc.**

Outstanding this year have been the gifts which the Hospital has received from our generous Dominions and from the British Red Cross and St. John War Organisation.

The Committee also gratefully acknowledges, among others, contributions from the following: Jesus Hospital Charity, King Edward's Hospital Fund for London, Metropolitan Hospital-Sunday Fund, Mr. and Mrs. Field, proceeds of sale of surplus garden produce, Barnet and District Constitutional Club, Herts County Football Association, Mrs. Merritt, match collection in New and East Barnet, St. John Ambulance Brigade, No. 84 (Barnet) Nursing Division, August Bank Holiday fête, Barnet and District Table Tennis League, employees of Barnet and District Gas and Water Company (whist drive), entrance fees for Edwin Thomas Memorial Cup competition, Mr. Michael Thomas (concert), Mr. E. W. Lambert, Victory party, Miss Baillie Smith and the New Barnet Orchestra (Good Friday concert), dart match (Hadley Green Garage v. "The Windmill"), Workers' Educational Association, and the Barnet Society (exhibition).

An oil painting by the late Dr. Perigal has been presented by his son, Dr. A. F. Perigal, and is gratefully received.

As always, gifts in kind and services have been numerous and generous, and the Committee asks the donors of these to accept warmest thanks.

**Annual Street Collection.**—The sum of £180 18s. 11d. was raised by this collection, and the Committee records its gratitude to Mrs. Hector Stevens, Mrs. James, and their helpers for this effort.

**Alexandra Rose Day.**—From this source £170 was raised, and thanks are expressed to Miss Harries and her helpers for the organisation of the event.

**Guild Collections.**—These were organised by Mrs. Lawson, Mrs. James, and Miss Peirson, and resulted, as usual, in a substantial sum being contributed to the Hospital.

**The Committee** gratefully records the receipt of legacies under the following will: The late Mrs. Elsie Marchand, £50; the late Miss E. J. Jack, £300; the late Mrs. F. M. M. Walker, £200.

**Accounts.**—The ordinary income for the year was £10,918, and the ordinary expenditure £13,769, compared with £14,534 and £11,836, respectively, in 1945. Legacies received during the year amounted to £550, leaving an excess of expenditure over income of £2,301. This deficit in the main accounts for the increase in the bank overdraft from £3,989 to £6,590.

**MEDICAL REPORT**

**Twenty-second Year of the Hospital in Wood Street**

During the year there have been 945 admissions, as against 911 in the previous year. The out-patient attendances were 7,452, including 700 X-ray examinations, 1,506 ultra-violet-light treatments, and 2,340 massage and electrical treatments.

It is with deep regret that we have to report the death of Dr. E. W. Milne; he will be greatly missed.

Dr. Lakin, Mr. Fitzwilliams, and Dr. Donaldson retired from the Consulting staff, and we offer them our thanks for all their past work. Drs. Crowley and Lavender retired from the medical staff, and we wish them success in their new ventures.

Drs. Christopher Hardwick and A. White Franklin have been appointed to the Consulting staff as Hon. Physician and Hon. Children's Physician, respectively, and Dr. Crowley has been appointed Hon. Anæsthetist.

Drs. Henry, West, Gugenheim, and Norman have joined the medical staff.

Mr. Plowman has been appointed to the Hon. Consulting Dental staff, and Mr. White has joined the Hon. Dental staff.

We offer our thanks to Mr. Puzey for his untiring efforts in the Physiotherapy Department.

To Matron and the nursing staff our thanks are due for their kindness and attention to the patients, despite the shortage of nurses in the Hospital.
